

MODULAR HOUSES SMART LIVING

*With us you can make your dream come true
in just one day...*

TURN-KEY SOLUTIONS - DMDmodular delivers homes with all installations, finished floors, walls and bathrooms. You can take care of the interior fittings yourself or with our help.

FROM ORDER TO DELIVERY ...

MODULAR HOUSES **Smart Living**

PROJECT

- technical documentation of the ordered house
- houses **designed by DMDmodular architects** following current construction trends
- adaptation to local regulations in cooperation with the client's architect

PRODUCT

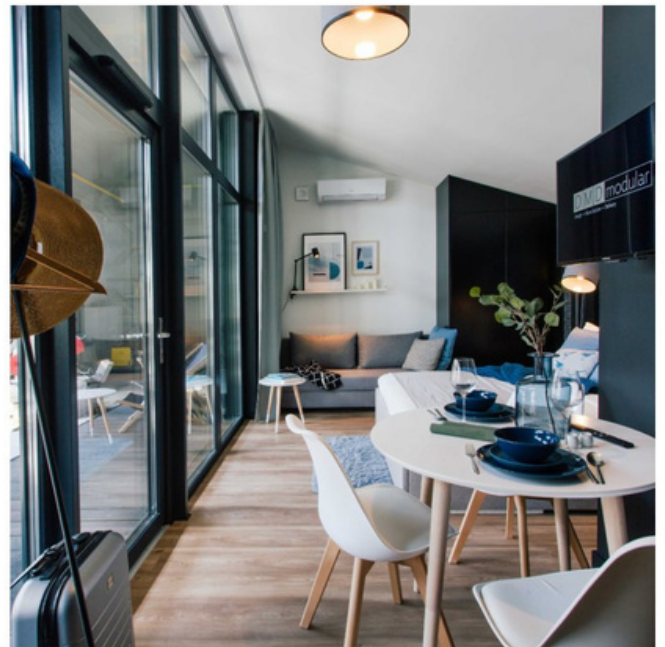

- large selection of houses from 28m² to 115m²
- **all-year houses** in 1 and 2-module configurations
- high **quality**, all houses are made directly in the DMD factory, where **control and supervision are carried out from the first stages of the order**

REALISATION

- houses **ready to be lived in on the same day**
- **quick realization** of the dream house, the average realization time is 8-12 weeks
- all that is on the client's side are the foundations and utility connections

DMDmodular offers

- Modular house.
- Transport.
- Assembly.
- Kitchen furniture.
- Furnishings for bedrooms and living areas.
