

A35bV

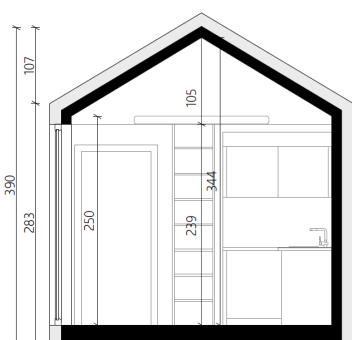

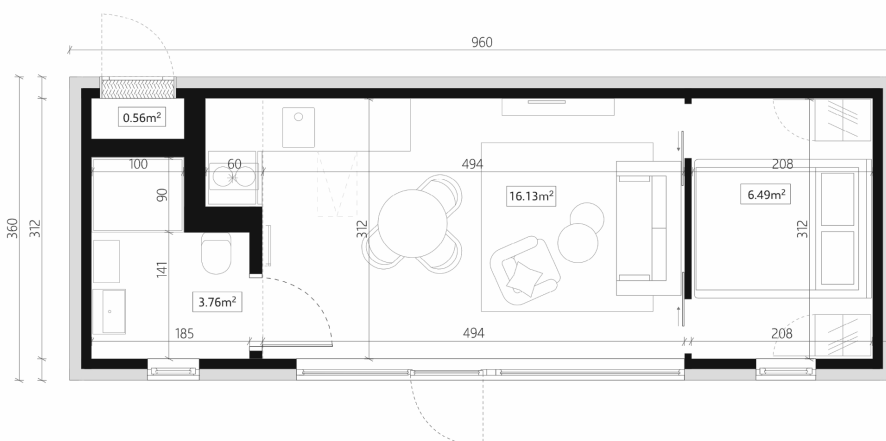

Dimensions
3.60 x 9.60 x 3.90 m

Building area
34.56 m²

Internal area
32.57 m²

Smart House A35bV is a year-round house, designed in modular technology on one steel frame, with a gable roof. Functionally arranged space allowed to separate the living room with a kitchenette, bathroom and bedroom with a large bed. The additional zone was created as a **mezzanine** with a place providing comfortable accommodation for two people. Living zone with large glazing, which is the main entrance to the building. The main advantage is the area of development - up to 35m². **This house is designed for those who appreciate a cozy compact space open for meetings with friends.**
